BRIDGETOWN PASS TO PEACE CORPS ST. LUCIA

E.O. 12958: N/A  
TAGS: [ASEC](#) [OTRA](#) [BB](#) [ST](#) [XL](#)  
SUBJECT: COUNTRY CLEARANCE GRANTED FOR ANJABEBU ASRAT  
TO TRAVEL TO ST. LUCIA

REF: SECSTATE 70298

¶1. Embassy Bridgetown warmly welcomes and grants country clearance to Anjabebu Asrat to travel to St. Lucia for TDY from May 8 to October 31, 2006. The purpose of this visit is to serve as six month HIV/AIDS related Crisis Corps assignment in St. Lucia.

¶2. Post understands that Peace Corps Eastern Caribbean based in St. Lucia will arrange for Anjabebu Asrat's transportation and lodging.

¶3. The volunteer's itinerary is as follows:  
Arrival - May 8 - via AA flight #5124 at 7:50pm  
Departure - Oct 31 - via AA flight #5059 at 8:50am.

¶4. Entry requirements: A valid U.S. passport is required to enter St. Lucia. No visa is required if your stay is under six months, including those travelers arriving with diplomatic or official passports. For further information, travelers may contact the Embassy of St. Lucia, 3216 New Mexico Avenue, N. W., Washington, D.C. 20016, telephone 202) 364-6792.

¶5. Departure tax for St. Lucia is XCD\$45.00 (Eastern Caribbean Dollars) or USD\$17.00.

¶6. The following is general information pertaining to transportation, security, and health considerations throughout the Eastern Caribbean:

#### Airports and Transportation

-----  
Commercial taxis are readily available and reasonably priced at airports throughout the region.

#### Security

-----  
In the Eastern Caribbean, foot travel outside of well-established tourist areas is not generally recommended, especially at night. Be vigilant when using public telephones or ATM machines near roadsides or quiet areas. As in many U.S. metropolitan areas, wearing expensive jewelry, carrying expensive objects, or carrying large amounts of cash should be avoided. Visitors should also safeguard valuables while at the beach. While hotels are generally safe, many visitors have experienced loss of unattended items. Hotel burglaries are not uncommon and all valuables should be locked in room safes if possible.

#### Health Information

-----

Throughout the Eastern Caribbean, the most likely threat to a visitor's health is sunburn. It takes several weeks to become accustomed to the heat and humidity. Prolonged exposure to the sun, without protection, causes sunburn and may ultimately result in sun-damaged skin or even skin cancer. Sunscreens should be used for protection. In Barbados, St. Lucia, and St. Vincent the major health threat is dengue fever, transmitted by mosquito. Dengue cases are most often seen in the summer months. Persons should therefore protect themselves with insect repellent. There is also a growing number of HIV/AIDS cases reported. The Eastern Caribbean enjoys clean and safe drinking water. Only routine boosters for immunizations (i.e. tetanus, diphtheria, and oral polio vaccine) are required when traveling to this region. Barbados has the best medical facilities of all the islands in the region and most of the medical specialties have practitioners here.
